SUMMARY

Energetic and skilled CSE graduate with an unwavering passion for crafting robust and inventive software solutions in Java. With a solid academic background and a natural talent for creative problem-solving, I am determined to thrive in an entry-level software development position. My fascination with backend development, combined with a proven history of collaborative teamwork, positions me to infuse novel viewpoints and technical prowess into a dynamic Java development team. Let's innovate together and build the future of software.

EDUCATION

AMC Ebgineering College
Bachelor of Engineering in computer Science -7.86 CGPA
2019 – 20223

Kendriya Vidyalaya Tamulpur
Intermediate-CBSE
2017– 2018

Kendriya Vidyalaya Tamulpur
High School-CBSE
2015 – 2016

TECHNINAL SKILLS

- **Frontend Languages:** HTML/HTML5, CSS.
- **Programming Language:** Core java.
- **Database:** SQL.
- **Operating System:** Windows,Linus.
- **Soft Skills:** Communication,problem-solving,Learning, Adaptability.
- **Other Tools:** Vs code, Eclipse, Notepad++, MySQL,github, Canva,Ms-office.

TECHNINAL SUMMARY

- **CORE JAVA:**
  -Proficient inof OOPs concept like Abstraction, Encapsulation, Polymorphism, Inheritance.
- **HTML:**
  - Strong understanding of HTML tag concepts
